MINING

Nmn gold rock africa limited

Mining Project Uganda

Nmn Gold Rock Africa Limited is a company based in Uganda, primarily engaged in various mining operations. These include the transportation and logistics related to mining, the exploration and procurement of mining exploration permits for a wide range of minerals, and the pursuit of exploration projects with the goal of exploitation, either for the company's own benefit or on behalf of third parties.

This advanced mining initiative is a key investment in local economic development, while also contributing to the global supply chain of essential materials.
